### **POPCORN HAT PLAYERS CHILDREN'S THEATRE PRESENTS**

#### ***The Little Mermaid***

The famed fairy tale by Hans Christen Andersen finally gets the Popcorn Hat treatment! The mermaid gives up everything she has — including her beautiful voice — for a chance to win the prince's heart. Can true love conquer all...including sea sickness?

Popcorn Hat Players, from the Gamut Theater Group, has been entertaining children and their families since 1993, bringing fairy tales, folk tales, and creative fables to new audiences every year. The Players write original adaptations that bring new life to unforgettable stories.

The Popcorn Hat Players is the only arts group named in the Central Penn Business Journal's "Top Ten Most Innovative Nonprofits in Central Pennsylvania" for its groundbreaking Theater Alive! program for inner-city schools.

### **SEASONS *Celebrating Spring***

Seasons, the vibrant Celtic Nu-Folk band, returns to CHPC!

The group is comprised of siblings Mary-Kate Spring, Peter Winter, Mary-Teresa Summer, Mary-Grace Autumn, and Mary-Clare Chun Lee. The Lee siblings seek to not only pay homage to the rich tradition of Celtic and American folk music that they grew up in, but also to treat it as a living, breathing entity. The result is a constantly growing collection of original songs and tunes that are all at once both fresh and familiar.

Seasons create a fusion of Celtic and roots music on harp, hammered dulcimer, mandolin, fiddle and more. Their original music has been featured on both national radio and television, and their six albums have received international recognition in Irish Music Magazine, Roots Magazine, and more.
